Message from State President Mark Couch

My Fellow Elks, It is an honor to serve as your NCSEA State President for the 2025-2026 term. I look forward to working alongside each of you as we continue to strengthen our lodges, serve our communities, and uphold the values that make the Elks organization so special. Thank you, Joe Clancy. Your term as NCSEA President was one of challenges overcome, goals achieved, great fellowship, and Julie and I are grateful to have had the opportunity to get to know and love you and Yenly. I look forward to many more years of serving together with you. Keep your cell phone handy, I know I'll be reaching out for advice often!

Congratulations, Michael Bryant! The Thad Eure Distinguished Service Award is a well deserved honor, my friend. I'm proud to know you, grateful for your mentorship.

North Carolina Elks, there are many ways to make a difference in your lodge and in our association. Whether volunteering at an event, helping with fundraising, or simply reaching out to a fellow member in need, everyone can do something, but no one can do everything. We are strongest when we work together, and I encourage you to find your role in helping your lodge succeed. A common challenge for many lodges is keeping their calendar of events accurate and up to date. I urge you to communicate regularly with your District Deputies, NCSEA Vice Presidents, and State Officers to ensure all necessary deadlines and activities are accounted for. An updated lodge calendar helps drive participation and ensures that our members stay engaged.

Safety is key to maintaining the integrity of your lodge and protecting your charter. I encourage all lodges to complete regular safety inspections and work closely with your DDs and NCSEA VPs to address any concerns. Taking proactive steps now can prevent issues down the road and keep your lodge thriving for years to come. If you have questions, concerns, or good news to share, please reach out. I want to hear the success stories from your lodges just as much as I want to help with any challenges you may face. I'd love to join you for special events at your lodge whenever I can—so include me in your newsletters, on your websites, and keep me in the loop!

Presidents Message Continued

We always talk about the impact that Elks connections have and the good we can do for our communities. In this newsletter, I'd like to share a personal story about two special Elks and the lasting difference they made in my family's life. My wife, Julie, and I have an adult son with autism, Trey. Like any parents, we wanted to see him succeed, but job opportunities for individuals with disabilities can be extremely limited. That's when two incredible Elks stepped in. Dick Flachbart was my neighbor, my sponsor into the Elks, my dear friend, and a man with a heart for helping others. After Trey graduated from high school with honors (Julie would want me to make sure you know that!), he attended community college, but finding meaningful work was a challenge. Dick took it upon himself to change that. He reached out to Leigh who had a heart for service to her fellow man, and she agreed to give Trey an opportunity in her office mailroom. Ann Delre Long, a fellow Elk and local business owner, didn't stop there. Leigh Ann saw potential in Trey, so she personally trained him to handle incoming checks for customer accounts, a role he excelled at for the next 10 years. Dick took Trey to work, and worked alongside of him to ensure his success. The other employees embraced him, and many later shared that Trey changed their perspective on individuals with special needs and made the workplace more compassionate. Through this time, Leigh Ann also became one of our dearest friends. Sadly, we lost Dick two years ago and said goodbye to Leigh Ann this year. Their kindness and willingness to take action made an immeasurable difference in Trey's life, and Julie and I are forever grateful. These two Elks truly embodied the saying: "Elks Care, Elks Share." If you are a business owner, I'd like to challenge you: consider hiring someone with a disability. You may just find a hardworking, dedicated employee who brings a new perspective and positivity to your workplace. I'd like to think that every individual hired will create a living legacy to these two special Elks, our dear friends. We have an incredible opportunity this year to grow our membership, support our communities, and strengthen our lodges. Let's work together, communicate openly, and make a lasting impact. And, of course... HOW 'BOUT THEM ELKS?!

Fraternally, Mark Couch

State President North Carolina State Elks Association

Elks Care — **Elks** Share

Message from Grand Exalted Ruler Douglas Schiefer

It's Grand Lodge Convention time! We will be getting together from June 29 to July 2 in Kansas City, Missouri. I hope to see you at the convention. Please take advantage of all the wonderful seminars, meetings, and ceremonies. Visit the exhibit halls and booths and spend time with other states' gatherings and events to meet Elks from across America. States come together to discuss and swap their best ideas.

Elks Care — Elks Share is our motto. Flag Day on Saturday, June 14, is an important mandatory service for Elks. It's a great way to involve local Scout groups and JROTC teams to participate in your ceremony. Invite veterans to attend and participate during the ceremony. Pass out flag pins. Our flag is precious to us as Elks, and we need to display it with reverence and dignity. Our fathers are also precious to us. Father's Day is on Sunday, June 15. My father and my grandfathers were Elks, and they started the legacy for me and my son and sons-in-law. I am proud to say that I got my dedication to service from what I saw my father and grandfathers do. Thank the dads in your life.

It's been an amazing honor and privilege to serve you and our great Order as Grand Exalted Ruler for 2024-2025. Thank you all. God bless you, God bless our troops, and God bless America

JOHN L BOYD ANNOUNCES HIS RETIREMENT AS NC SPECIAL DEPUTY TO THE GRAND EXALTED RULER

John Boyd, who has been Special Deputy to the PGER Arthur H. “Jack” Frost, for the past 18 years, announced at the Advisory Board Meeting on May 5, 2025, that he would retire from that position as of July 2025.

John has had a long history in leading the North Carolina State Elks Association (NCSEA) throughout his career, including the Executive Board of NCSEA Boys Camp. He was Exalted Ruler of the Hendersonville Elks Lodge #1616 in 1989-1990 and held many Lodge committee positions. John was State President of NCSEA 1997-1998, received the Thad Eure Distinguished Service Award from NCSEA in 2007, as well as being on the NCSEA Board of Directors and served as Chairman.

He has been a member of the NC Elks Charitable Trust for many years. He has chaired the NCSEA Advisory Board for several years and other important NCSEA committees such as Leadership, Long Range Planning, and Communications. John rose to the Grand Lodge position of District Deputy Grand Exalted Ruler, West District in 1991. He has served on Grand Lodge Americanism Committee 2001-2003, Membership Committee 2004-2005, and Public Relations Committee 2006-2007. John was selected to chair North Carolina’s Grand Lodge Convention in Charlotte in 2007 when our current state sponsor, PGER Frost, was the Grand Exalted Ruler.

John Boyd Continued

John was selected in 2007 to be the Grand Lodge Special Deputy for the state of North Carolina and has served in that capacity for 18 years. He was selected as chairman of the Special Deputies Committee and served in that capacity for 10 years. He established an agenda for those meetings that is still being followed. Working with PGER Roger True and PGER Jack Frost, established a written document outlining the duties of the Special Deputies. In addition, the Special Deputies endorsed the manual on How To Run A House Committee in a lodge. Finally, he was able to negotiate a Grand Lodge Badge for Special Deputies.

Graduating from Mars Hill College and Western Carolina University, John was teacher and assistant principal at Clyde A. Erwin High School in Buncombe County. Following this he became an NC State Adult Probation Officer and worked in Henderson County. He then became a farm-equipment dealer and started managing real estate. In 1986, he was hired at Blue Ridge Community College as Small Business Center Director and for several years helped startup businesses and Continued Education Training. He was instrumental in starting the "Vision" Henderson County Leadership Program with well over 700 members.

John brought those leadership skills to the Elks, where he was instrumental in growing our leaders and strengthening our State Elks organization to its current strong position. John's contributions to the NCSEA have made us what we are today, and we have been honored to have had his leadership. However, John is not retiring from NCSEA, so we will continue to have his guidance and leadership, which are so valuable.

During John's professional and Elk's career, he was supported by his wife, Ann of 58 years; his daughters, Heather and Carrie; his grandsons, Tre, Tristen and Brayden; and many friends he has made along the way.

In honor of John's leadership and dedication to the NCSEA, the NC Charitable Trust voted at the May 2025 Conference to name two new scholarships recognizing John's contributions. In addition to the forty-academic and ten nursing scholarships already being funded by NC Charitable Trust, there will be two new scholarships. These new scholarships will be awarded to the highest scoring boy and girl from North Carolina who did not receive a Grand Lodge MVP scholarship. Each new scholarship will be \$2,000 and named the John L. Boyd Scholarship of Excellence.

We are a much better organization due to John's continued support and guidance.

Thank You John for Your Leadership and Guidance

ENVSC GIVES UPDATE ON WELCOME HOME KIT PROGRAM North Carolina Finished 7th In The Nation

Last year, Elks provided 4,252 Welcome Home Kits to newly housed veterans, a 25% increase over previous years. And, 43.5% of kits in 2024-25 included beds for veterans or their children, a 107% increase from the year before.

As the program grows in popularity, it's dominated less by superstar Lodges and more by a raft of volunteers at hundreds of Lodges across the country. Since the program began, 546 Lodges from 46 states have participated by providing kits to veterans through this program.

Thanks to all our volunteers for the fresh starts provided to veterans last year.

A MESSAGE FROM YOUR MEMBERSHIP COMMITTEE

SPRING 2025 MEMBERSHIP REPORT

While the final tally for membership will not be available until the Grand Secretary releases that number in early June, it is evident that the NC Elks will not have a fourth straight year of membership growth. North Carolina will fall short by less than 300 members. This can be disappointing however I am encouraged that we retained over 10,000 Elks for the 2024/2025 year. The devastation by Hurricane Helene in the West took its toll on many members and potential members. Some of our largest Lodges have had issues with swimming pools closing, or needing repairs which has caused some members to drop or at least delay renewing their memberships. I remain encouraged that with the State leadership and more importantly the leaders in our local Lodges we will rebound with great enthusiasm and have a great 2025/2026 Elk year.

I remain committed as your Membership Chairman and will continue to send each Exalted Ruler membership updates from the Grand Lodge as I get them. If you have any questions or concerns regarding membership, lapsation, recruitment or reinstatements please do not hesitate to contact me or any member of my team. Thank you very much!

John Lawrence, PSP

NCSEA Membership Chairman

Southern Pines Lodge: Decades of Dedication to Local Meals on Wheels

The Southern Pines Elks Club #1692 has been a steadfast supporter of Meals on Wheels of the Sandhills for several decades, reflecting its commitment to community service, philanthropy, and improving the lives of residents. This partnership plays a vital role in combating food insecurity and hunger among Moore County residents, ensuring they receive the nutrition they need.

Since 2023, the Elks have harnessed the power of Spotlight Grant funds to bolster the efforts of the Moore County Meals on Wheels chapter. This invaluable program provides nutritious meals to needy, elderly, and homebound residents in Moore County, NC, including many Veterans. Meals on Wheels ensures these meals are delivered either free of charge or at significantly reduced costs every weekday throughout the year.

Under the leadership of Paul Spadafora, the dedicated secretary of the Elks Club, the organization has strengthened its impact and reach. The SP Elks Lodge contributes significantly to Meals on Wheels by allocating \$2,000 from the Spotlight Grant each year, directly aiding in the preparation and delivery of these essential meals. Additionally, the Lodge designates Meals on Wheels as one of its "Charity of the Month" beneficiaries, awarding \$500 in September 2024 from the lodge funds to further support their mission.

This ongoing support from the Elks Club not only helps sustain the nutritional needs of the community's most vulnerable citizens but also strengthens the fabric of Moore County. Such initiatives highlight the importance of community organizations coming together to enhance the quality of life for all residents while actively fighting against food insecurity.

SALISBURY ELKS HOST POLAR PLUNGE TO BENEFIT SPECIAL OLYMPICS

Salisbury Elks Lodge hosted the annual Polar Plunge for Special Olympics Rowan County on Saturday, March 1. About 200 people attended the fundraiser, including over 50 lodge members, which was held at the Salisbury Elks Lodge River Park. Because lake levels were nearly 7 feet below normal, the typical “plunge” was not an option. So, Miller Ferry Volunteer Fire Department came to the rescue and provided several trucks with hoses and their airboat for the event. And it was a splashing success! The Salisbury Lodge earned top honors for most team members and raised nearly \$2,500. Lodge secretary, Debbie Martin, raised \$1,000, the most money for an individual on a team. She has been “polar plunging” since 2016. “I think this year was one of the best ever,” said Martin. “We had great weather and turnout. Going into the lake is cold and muddy. Running through the fire hoses was just plain cold, but lots of fun for everyone. It took me back to my younger days running through a sprinkler.” “The Polar Plunge is one of my favorite community events. It reminds me of why I became an Elks member in the first place.” The crowd enjoyed music with a live DJ, a costume contest, a raffle with prize giveaways and hot dogs for lunch. The Salisbury Elks Lodge Drug Awareness trailer was also on site. Members, Kelly Davis and Tony Alfano, gave out brochures, booklets, and information about a variety of subjects including drugs, bullying, abuse, online dangers and much more. It’s one of only four trailers in NC. The event raised nearly \$12,000, exceeding the goal of \$10,000. All monies raised, including proceeds from the 50/50 raffle, benefit the Special Olympics.

SALISBURY ELKS PROUD OF NATIONAL HOOP SHOOT FINALIST

It's been over 20 years since Salisbury Elks Lodge #699 had a finalist in the National Hoop Shoot Championships. This year, eleven-year old Marlie Steele showed her skills and talent but even more grit and nerves of steel on the basketball court. Steele sank 12 of 15 free throws in the second round to make a total of 17 of 25 baskets and finish in a tie for 6th place in the Girls 10-11 division. In addition to family, Marlie had plenty of support in Chicago including Salisbury Elks' members Kenny Martin, Debbie Martin and Liz Tennent. The group enjoyed the competition as well as breakfast at the famous Eleven City Diner, a Chicago Cubs baseball game, trivia night, trading cards, site seeing and the awards banquet. Marlie also received *BEST SWISHES* and autographed photos from her favorite basketball team, the Duke Blue Devils, thanks to Coach Mike Krzyzewski.
