# Message from State President Frank Brady

The NCSEA Spring Convention will be held at the Canopy by Hilton—Charlotte South Park on May 6<sup>th</sup>-8<sup>th</sup>, 2022. This is a beautiful hotel with shopping and restaurants within walking distance. In addition, the District hospitality rooms and accommodations are first class. The Elks will have free parking which reduces the overall cost, making this hotel very competitive in a downtown setting. Sandy and I are looking forward to seeing and socializing with our friends during our off hours. The Eleven O’Clock Toast, when recited in our hospitality rooms, is always the time for the very best of our members to show off what version of the Toast they have mastered.

This will be my last news article as your State President; and I must say what a year this has been. However, every journey has an ending; and although the supporters that made this year possible for me are too numerous to list, I must thank John Lawrence, President-Elect; John Boyd, SDGER; Ashley Buckwell, PSP; Lee Littiken, PSP; Michael Bryant, PSP; Gary Plough, PSP; Steve Clarke, PSP; Steve Johnson, PDD; and Michael Curran, PSP. From the beginning, Hendersonville Elks Lodge members supported my journey to become North Carolina State Elks Association President, starting with Bill Devine, PER; Shane Cook, PDD; Connie Stewart, PER; and Kelly Cook, PER.

The Vice Presidents have done a great job carrying my message “Elks moving forward, one challenge at a time”: Debra Welch, East; Michelle DeLaire, East Central; Toni Deal, West Central; and Gary Gantt, West. Membership! Membership! This was my main goal; but the financial well-being of each lodge and the ability to serve their communities with Elk programs that can truly change lives, I believe, are what our lodges are all about.

The Committee Chairs have been performing outstandingly in doing the tasks assigned to their committees: Randy Zigmund, Americanism; Dean Chaeffer, Camp Carefree; Robert L. Miller, Drug Awareness; Ron Delzer, Elks National Foundation; H. Lee Littiken, Elks National Veterans Service, NCSEA Convention Committee and Disaster Relief; John Boyd, Communications, Membership/Lapsation and Long Range Planning; Richard Penk, Grants; Mark Alderman, Hoop Shoot; Shari Driscoll, Leadership Training; Joe Clancy, Lodge Activities and Financial Reporting System; Michael Bryant, Long Range Planning; John Evans, Public Relations; Bruce E. Kinnaman, Scholarships; and Derrick Sims, Youth Activities. Great job!! Well done!!

## President's Message Continued

Lodges across North Carolina, with the help of ENF and the North Carolina Charitable Trust, are supporting their communities with programs such as State Veterans Nursing Homes; Camp Carefree; providing food banks for the less fortunate; backpack food programs for children; providing safe places for mentally and physically challenged individuals to enjoy Christmas and other social events; and so many more.

ENF has provided over \$216,590 for North Carolina State Charities efforts including Grants/Scholarships, \$83,560; Special Projects Grants, \$59,000; Bonus Grants, \$15,690; Scholarship's Most Valuable Student, \$28,000; Legacy Award, \$16,000; and Veterans Funding VAVS, \$14,340. This represents Community Investment Programs totaling \$216,590.

In February I traveled to Greensboro to participate in the Leadership Training Session along with other presenters: John Boyd, SDGER; John Bullock, PSP; Michael Bryant, PSP; Shari Driscoll, PSP; Michael Curran, PSP; Michael Doherty, PDD; Kevin Black, PDD; and John Lawrence, President-Elect.

The winners of the North Carolina State Hoop Shoot Contests were: Girls 8-9 – Skylar Sidberry from Raleigh; Boys 8-9 – Mason Hurdle from Roxboro; Girls 10-11 – Emily Bridges from Hickory; Boys 10-11 – Jason Womble from Lake Norman; Girls 12-13 – Aunica Tomlinson from Morganton; and Boys 12-13 – Bryant Davis from Salisbury.

In mid-March Sandy and I traveled to Frederick, Maryland, to observe the Regional Hoop Shoot Contest with Mark Alderman. After an exciting competition on March 12<sup>th</sup>, the following North Carolina shooters moving onto the National Finals in Chicago are: Mason Hurdle, Roxboro (21 of 25); Jason Womble, Lake Norman (22 of 25); and Emily Bridges, Hickory (19 of 25). Congratulations to all of our competitors!!

The DDGER sessions in March were informative; and I enjoyed meeting and participating with the many Elks who attended.

Sandy and I want to wish President-Elect, John Lawrence, and his wife, Cheryl, the very best as they preside over the 2022-2023 year as President and First Lady. They are very special people; and we wish to thank them for all of their help and support this past year.

In closing, make your tomorrows as productive as the past because the growth of Elkdom is in your hands.

Respectfully,

Frank T. Brady, NCSEA President

## Message from GER Keith Mills

### **First, congratulations to all newly installed Exalted Rulers and Lodge officers.**

Thank you for making the commitment and accepting the duties and responsibilities of the office for which you have been chosen. You are about to take part in, I hope, one of the greatest experiences in your Lodge career, becoming a Lodge officer. Do not take this experience and responsibility lightly. By accepting your office, you will guide the direction your Lodge will pursue for the next Lodge year and continue “Meeting the Challenge.” Newly elected Exalted Rulers need to reach out to committee appointees to ensure they are prepared to perform their assignments. Show them how to get the information for their committee on [elks.org](http://elks.org). It is your job to help remove obstacles they may encounter along the way to better perform their duties. Make sure they report all charitable hours and mileage to the Lodge Secretary so they may be entered into CLMS. One suggestion is to assign important committees to different chair officers to oversee and ensure committees are working to the best of their ability. Then, during your monthly officer meeting or Lodge meeting, have committee chairs or chair officers give updates on that committee. In relation to finances, the budgets for your Lodge should be ready to be presented to the membership for approval before the last regular Lodge meeting in April. The Annual Report for the previous year is also due May 1. Make sure that your Financial Reporting System (FRS) is up to date and be sure to submit your end of year financials to your accounting personnel so they may prepare your 990s and 990Ts for your Lodge shortly after April 1. Once completed, you will need to upload them to [elks.org](http://elks.org) and file them with the Internal Revenue Service. I know that all Lodges are actively involved in their communities. You are encouraged to establish at least one community project that emphasizes the charitable work of our Order. The Grand Lodge Activities Committee also has a Community Projects Contest. The Committee will award first, second, and third place within the six membership categories. This award will give your Lodge national recognition to show your Lodge is actively supporting your community. You have done the work, now fill out the form and submit before the May 1 deadline. By this time, your District Deputy Grand Exalted Ruler should have informed you of the place and time for their Spring District Deputy Clinic. This is a great learning opportunity to gather with other officers within your district. It is also the time that your District Deputy will help you and your officers get the year off to a good start. Finally, good luck to you during this Elks year. Being a Lodge leader has some work involved. However, it can be lots of fun and a truly rewarding experience for you and your Lodge. If you need anything, your Past Exalted Rulers, local District Deputy, State leaders, and other Grand Lodge committee members are there to help and guide you. You just need to ask.

## A Message From Your Membership Committee

It's a new Lodge year, lets keep up the pace from last year and have a banner year initiating new members into your Lodge.

Should you want a copy of this poster to post in your Lodge please send me an email me at [ashbuc@atmcnet](mailto:ashbuc@atmcnet) and I will forward a copy.

## Ritual Contest at the NCSEA Spring Meeting

The state ritual competition will be conducted during the spring state convention in Charlotte on May 7, 2022. **There will be two competitions this year.** The winners of both competitions will have the honor of representing North Carolina at the Grand Lodge in Atlanta in July.

**There is a new ritual competition this year.** This competition is the “**Flag Charge Presentation.**” The Flag Charge competition is open only to Exalted Rulers and Past Exalted Rulers. What the contestant will present during this competition can be found in the Ritual of Local Lodges (511500) beginning at the bottom of page 57. The contestant will hear 3 raps from the competition chair and will begin by saying “Please salute our flag.” The competition ends when the ER returns back to the station of the ER (as stated near the top of page 59).

**The 11 O’clock Toast competition** will be as in years past. There will be an Exalted Ruler Division and an Open Division. Any member can compete and all are welcome! The Grand Lodge competition is limited to ERs and PERs, so the highest scoring ER/PER (regardless of division) will represent North Carolina at Grand Lodge.

**Start practicing your Flag Charge and Toast! Both members selected to represent North Carolina will receive a stipend of \$100 from the PER Association to help defray their expenses. Please contact David King, NCSEA Ritual Chair, if you have questions.**

*You have heard the tolling of 11 strokes.*

*This is to remind us that with Elks, the hour of 11 has a tender significance.*

*Wherever Elks may roam, whatever their lot in life may be, when this hour falls upon the dial of night, the great heart of Elkdom swells and throbs.*

*It is the golden hour of recollection, the homecoming of those who wander,  
the mystic roll call of those who will come no more.*

*Living or dead, Elks are never forgotten, never forsaken.*

*Morning and noon may pass them by, the light of day sink heedlessly in the West,  
but ere the shadows of midnight shall fall, the chimes of memory will be pealing forth  
the friendly message,*

***"To our absent members."***
